

# **We Worship You**

(Rob & Elise Loomis)

We worship You  
Almighty God  
You're all we have  
You're all we need

***How lovely is Your dwelling place  
O Lord***

***How lovely is the shelter of Your love***

Nothing more to bring to You  
Nothing more that I can give  
Than my heart that is broken  
Ready to be mended  
Oh Lord, we worship You
