

Psalm 3

(Elise Loomis)

Oh Lord it seems
There are so many against me
They say that there is no God
But I know...

***You are a shield around me Oh Lord
You bestow Your glory and You
Lift my head***

I lay down I sleep and I awake
The Lord sustains me
And I will not be afraid
Of Ten thousands of people because....

I was crying to the Lord with my voice
And He answered me from His Holy Temple
