

# Taste and See

*(Elise Loomis)*

These days aren't getting easier  
So I will wait  
This world has nothing for me Lord  
Without You  
I hear You are so near  
to the broken hearted  
And Your Word tells me to sing

***Taste and see how the Lord is so good to us  
How blessed is the man who takes refuge in You  
You save the crushed in spirit  
You hear Your children cry  
How blessed is the man who trusts You Lord***

My iniquities have overtaken me  
So that I cannot see  
Blinders of Your outstretched hand  
They are more numerous than  
The hairs of my head  
And how my heart has failed me O my God

You bring me out of the pit destruction  
Out of the miry clay  
You set my feet upon the Rock  
You make my foot-steps firm  
Father I know You have a plan for my life  
Put a new song within my heart
