

We Come

(Rob Loomis)

By Your great and awesome mercy we come
In reverence will we bow down
toward Your throne

You are here, You are here, Messiah
You are here, You are here, Redeemer

***Oh Lord we come to worship You
Oh Lord we lift our hearts to You
Oh Lord we come, we come***

***Oh Lord we dance around for You
Oh Lord we shout aloud for You
Oh Lord we come, we come***
