

# **You are Better**

*(Rob & Elise Loomis)*

Nothing tastes better  
Nothing is sweeter  
There's nothing more marvelous than You  
Oh Lord

***Jesus I sing  
Jesus I cry  
Your words are so sweet  
They speak truth to my life  
I'm desperate for You  
You're moving in me  
To surrender it all  
Because You are better***

Nothing satisfies me  
Nothing can consume me  
Nothing overwhelms me  
Nothing but Your glory
